Reconstruction, 2320 South – 3100 South

Repaving, 3100 South – 3500 South

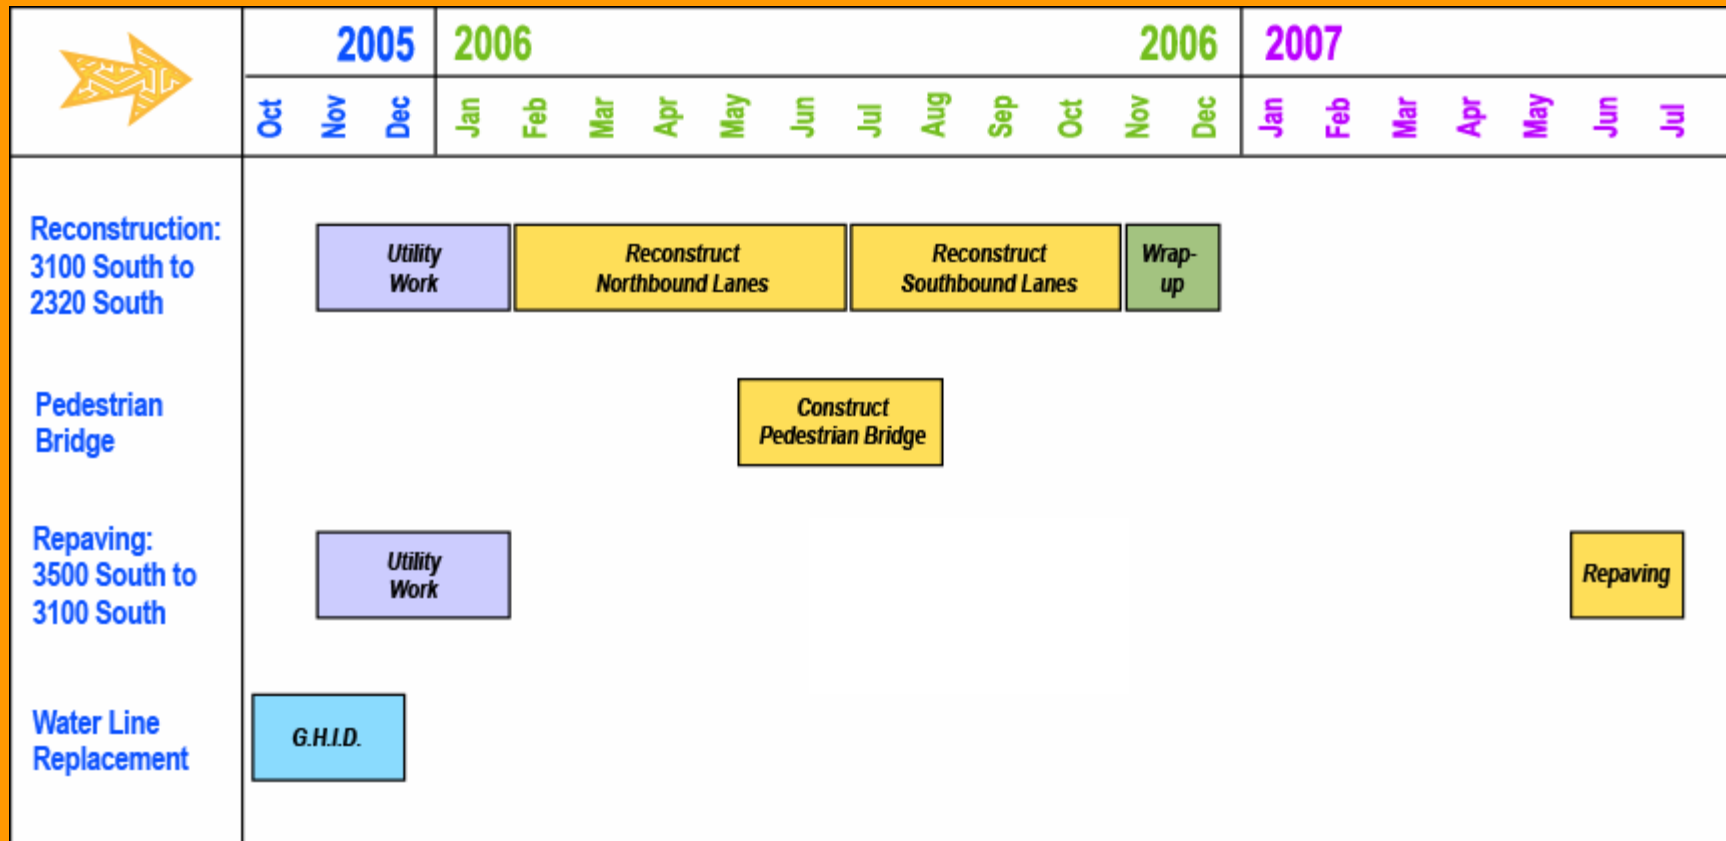

● Pedestrian Bridge Replacement near Redwood Elementary

REDWOOD ROAD
Reconstruction
 2320 South - 3500 South

When will it happen?

| Summer / Fall 2005 | Fall 2005 | Early 2006 | Late 2006 | Spring / Summer 2007 |
|---|---------------------------------------|--|---|--------------------------------------|
| Finalize design | Utility work begins | Reconstruction begins 2320 South – 3100 South | Reconstruction complete 2320 South – 3100 South; all lanes open | Repave 3100 South - 3500 South |
| Informational public open house* | Informational public open house | Informational public open house | Post- construction public survey | |
| Preconstruction public survey Today's open house, Aug. 24, 2005 | | | | |

When will it happen?

Why is it happening?

- Replace aging infrastructure
 - Improve drainage
 - Install long-lasting concrete pavement
- Improve safety and traffic flow
 - Build consistent lanes
 - New sidewalk, curb and gutter
 - New pedestrian bridge

How can I stay informed?

- Sign-up for construction updates via e-mail or fax
- Plan to attend the next public open house in November 2005 for additional detail
- Visit web site: udot.utah.gov

Other area projects

Redwood Road Reconstruction is coordinating with:

- SR-201 Design-Build
- Taylorsville Beautification Project on Redwood Road
- 3500 South Environmental Impact Statement
- Other planned maintenance projects
